Our Solutions

DC and arbitrary power supplies

Arbitrary and function generators

4-quadrant and broadband amplifiers

Microelectronic Switch

Power Analyzers

LCR meters

Hipot Testers / Insulation meters

Bidirectional DC power supplies (two quadrants), available up to 18KW

DC power supplies: available up to 180KW and voltages up to 1800V, ideal for burn-in and plating applications with parallel modules from 1.5KW up to 120KW

Universal AC power supplies, input 200/480VAC, output starting from 0 -100V up to 1800V
